

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Offering products, solutions and services in order to increase the productivity and to ensure efficiency within commercial, residential and industrial environments, Ingersoll Rand is very proud provider of products that help improve the security, health, safety and comfort of individuals all across the globe.

The Climate Solutions sector delivers a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a maker of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building advanced controls, services and parts support used for both residential homes and commercial buildings.

Ingersoll Rand's Industrial Technologies division provides products and solutions which enhance their customers' operation, energy efficiency and productivity. The product range is diverse ranging from pumps and tools, material and fluid handling systems to complete compressed air systems. They have also developed Club Car, the global leader in golf and utility vehicles for businesses and individuals.

Well-known brand names like Schlage and Trane compromise the Residential Solutions business, providing comfort, safety and efficiency to home owners all across North America. Some of their innovative quality products comprise electronic and mechanical locks, indoor air quality solutions, air conditioning and heating systems, remote home management, portable security systems and advanced controls.

The division comprising Security Technologies offers products that ensure secure, safe and productive surroundings. This division's market leading products comprise door and floor closers, portable security devices, exit devices, biometric and electronic access control systems, cabinet hardware, steel doors and frames and locks, decorative hardware and locksets. Recognized brands like for instance Schlage even provide time, attendance and personal scheduling systems.
